12595 S. Belcher Rd.
Largo, FL 33773

Dear Mr. Banning,

Thank you for joining us at the Cooperman-Bogue Awards Luncheon to accept the Corporate Recognition Award. The work that you and your employees do to assist Religious Community Services improves the lives of many needy families and is commendable.

In addition to the presentation at the luncheon, Banning Lumber & Millwork has been recognized in a few additional ways. Your company's name is permanently added to the Corporate Recognition Awards plaque which hangs in the lobby of the JWB Children's Services Council building. Also, an announcement was sent to all media outlets in the Tampa Bay market. A copy of this media release accompanies this letter. In addition, a segment of the April edition of *JWB-TV* was dedicated to the Corporate Recognition Awards. This show airs daily throughout the month of April on PCC-TV and several times on WSPF-TV and Pinellas Park City TV. A DVD containing this segment as well as the entire show is enclosed with this letter for your use.

Thanks again for the positive difference you make for families in need.

Sincerely,

A handwritten signature in black ink that reads "Eddie Burch".
